Dear Seniors,

Due to circumstances beyond our control we have a limited selection of faculty portraits. If one of your favorite faculty members is not included in this section, we are truly sorry. Hopefully, his or her picture may be located elsewhere in the book as a candid shot. If not, we hope you will forgive us. Thank you.

The Art of Awareness

The art of awareness is the art of learning how to awaken to the eternal miracle of life with its limitless possibilities.

It is searching for beauty everywhere, in a flower, a mountain, a machine, a sonnet, and a symphony.

It is developing the deep sensitivity through which we may suffer and know tragedy . . . but through which we will also experience the grandeur of human life.

It is identifying yourself with the hopes, dreams, fears and longings of others. It is learning to interpret their thoughts, feelings and moods.

It is keeping mentally alert to all that goes on around you; it is being curious, observant, imaginative that you may build an ever increasing fund of knowledge of the universe.

It is striving to stretch the range of eye and ear; it is taking time to look and listen and comprehend.

It is through a growing awareness that you stock and enrich your memory — and as a great philosopher has said: "A man thinks with his memory."

A Blueprint for Living

To stand tall in the sun light.
To seek out the bright face of beauty.
To reach for the dream, the star.
To see the world through eyes of tenderness.
To love with openheartedness.
To speak the quiet word of comforting.
To look up to the mountain and not be afraid to climb.
To be aware of the needs of others.
To believe in the wonder of life,
the miracle of creation,
the rapture of love,
the beauty of the universe,
the dignity of the human being.

In Memoriam

Share with us your smile
While in the shelter of your eyes
The memories shall flow.
When the winter wets the Northern Winds
The child that they bear is snow.
And branches bow like worried bridesmaids
But the tree still grows.
Sun and Earth, in time, will come together.
God will give us back our summer weather
But the memories upon which our friendship stood
Melt away so slow.

Leadership Workshop 1977

WSC's first annual Leadership Skills Workshop for student organization officers and advisors was held at the Bement Camp and Conference Center in Charlton Depot on October 21-23, 1977. Sessions were centered around small primary groups (6-7 people) and covered such diverse topics as: self awareness in communication, leadership styles and characteristics, values clarification, assertiveness, problem solving, and creativity. The final exercises involved personal feedback and sharing. The unqualified success of the workshop can best be summed up by what became the motto of the weekend . . . "thank you, and you're welcome."

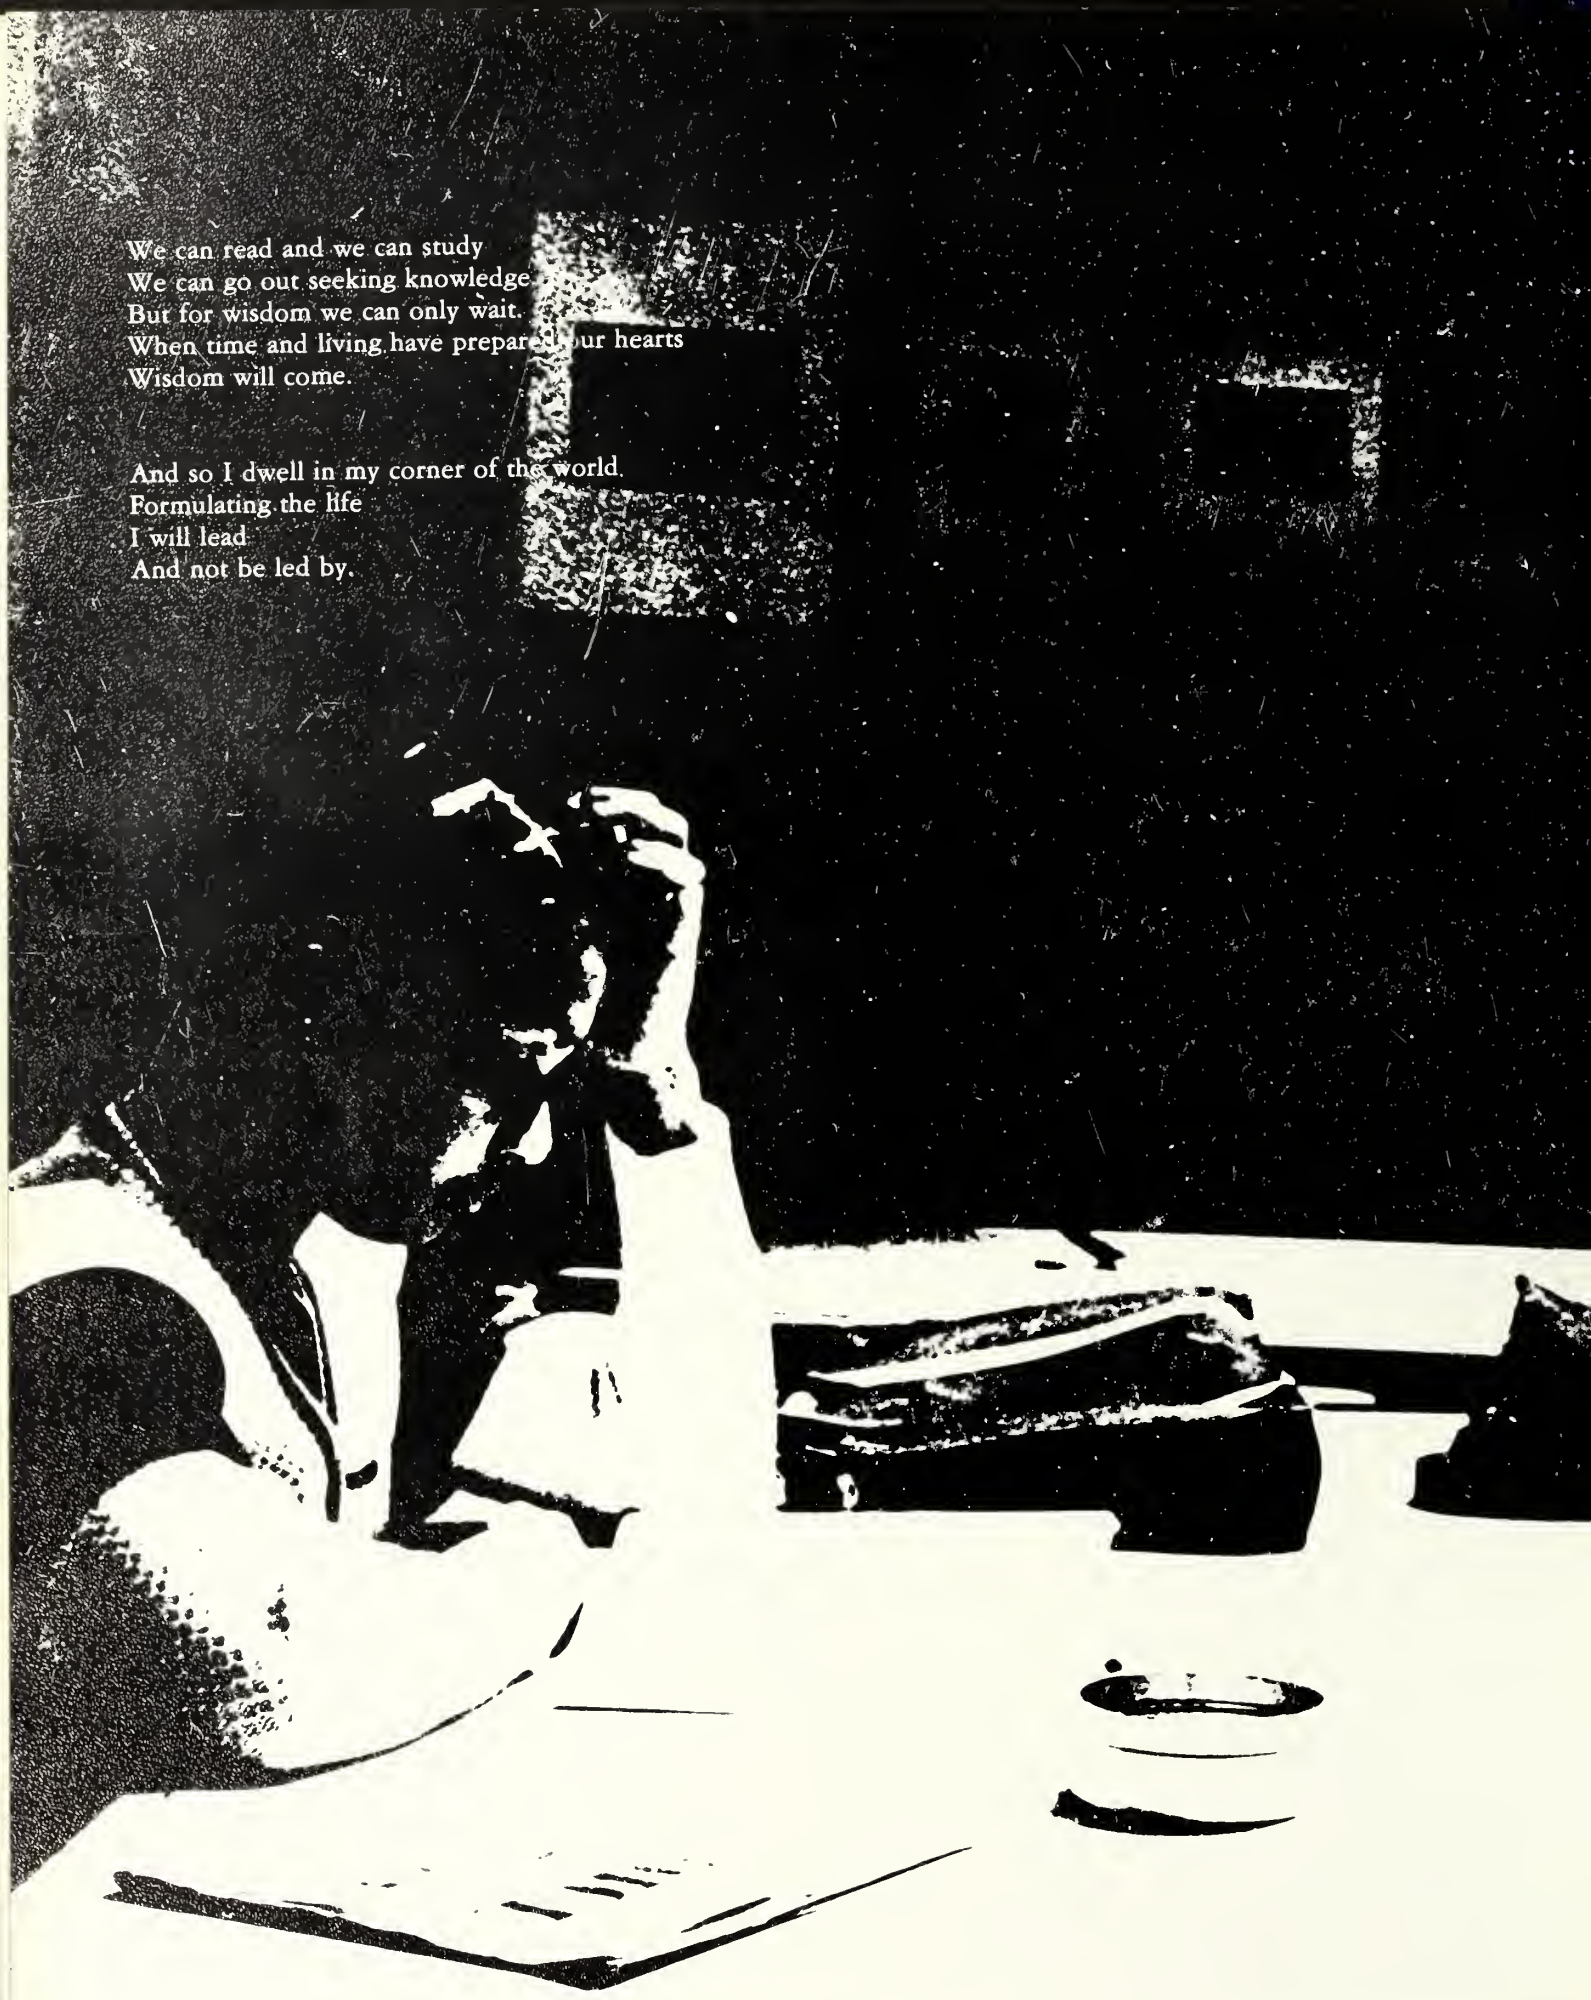
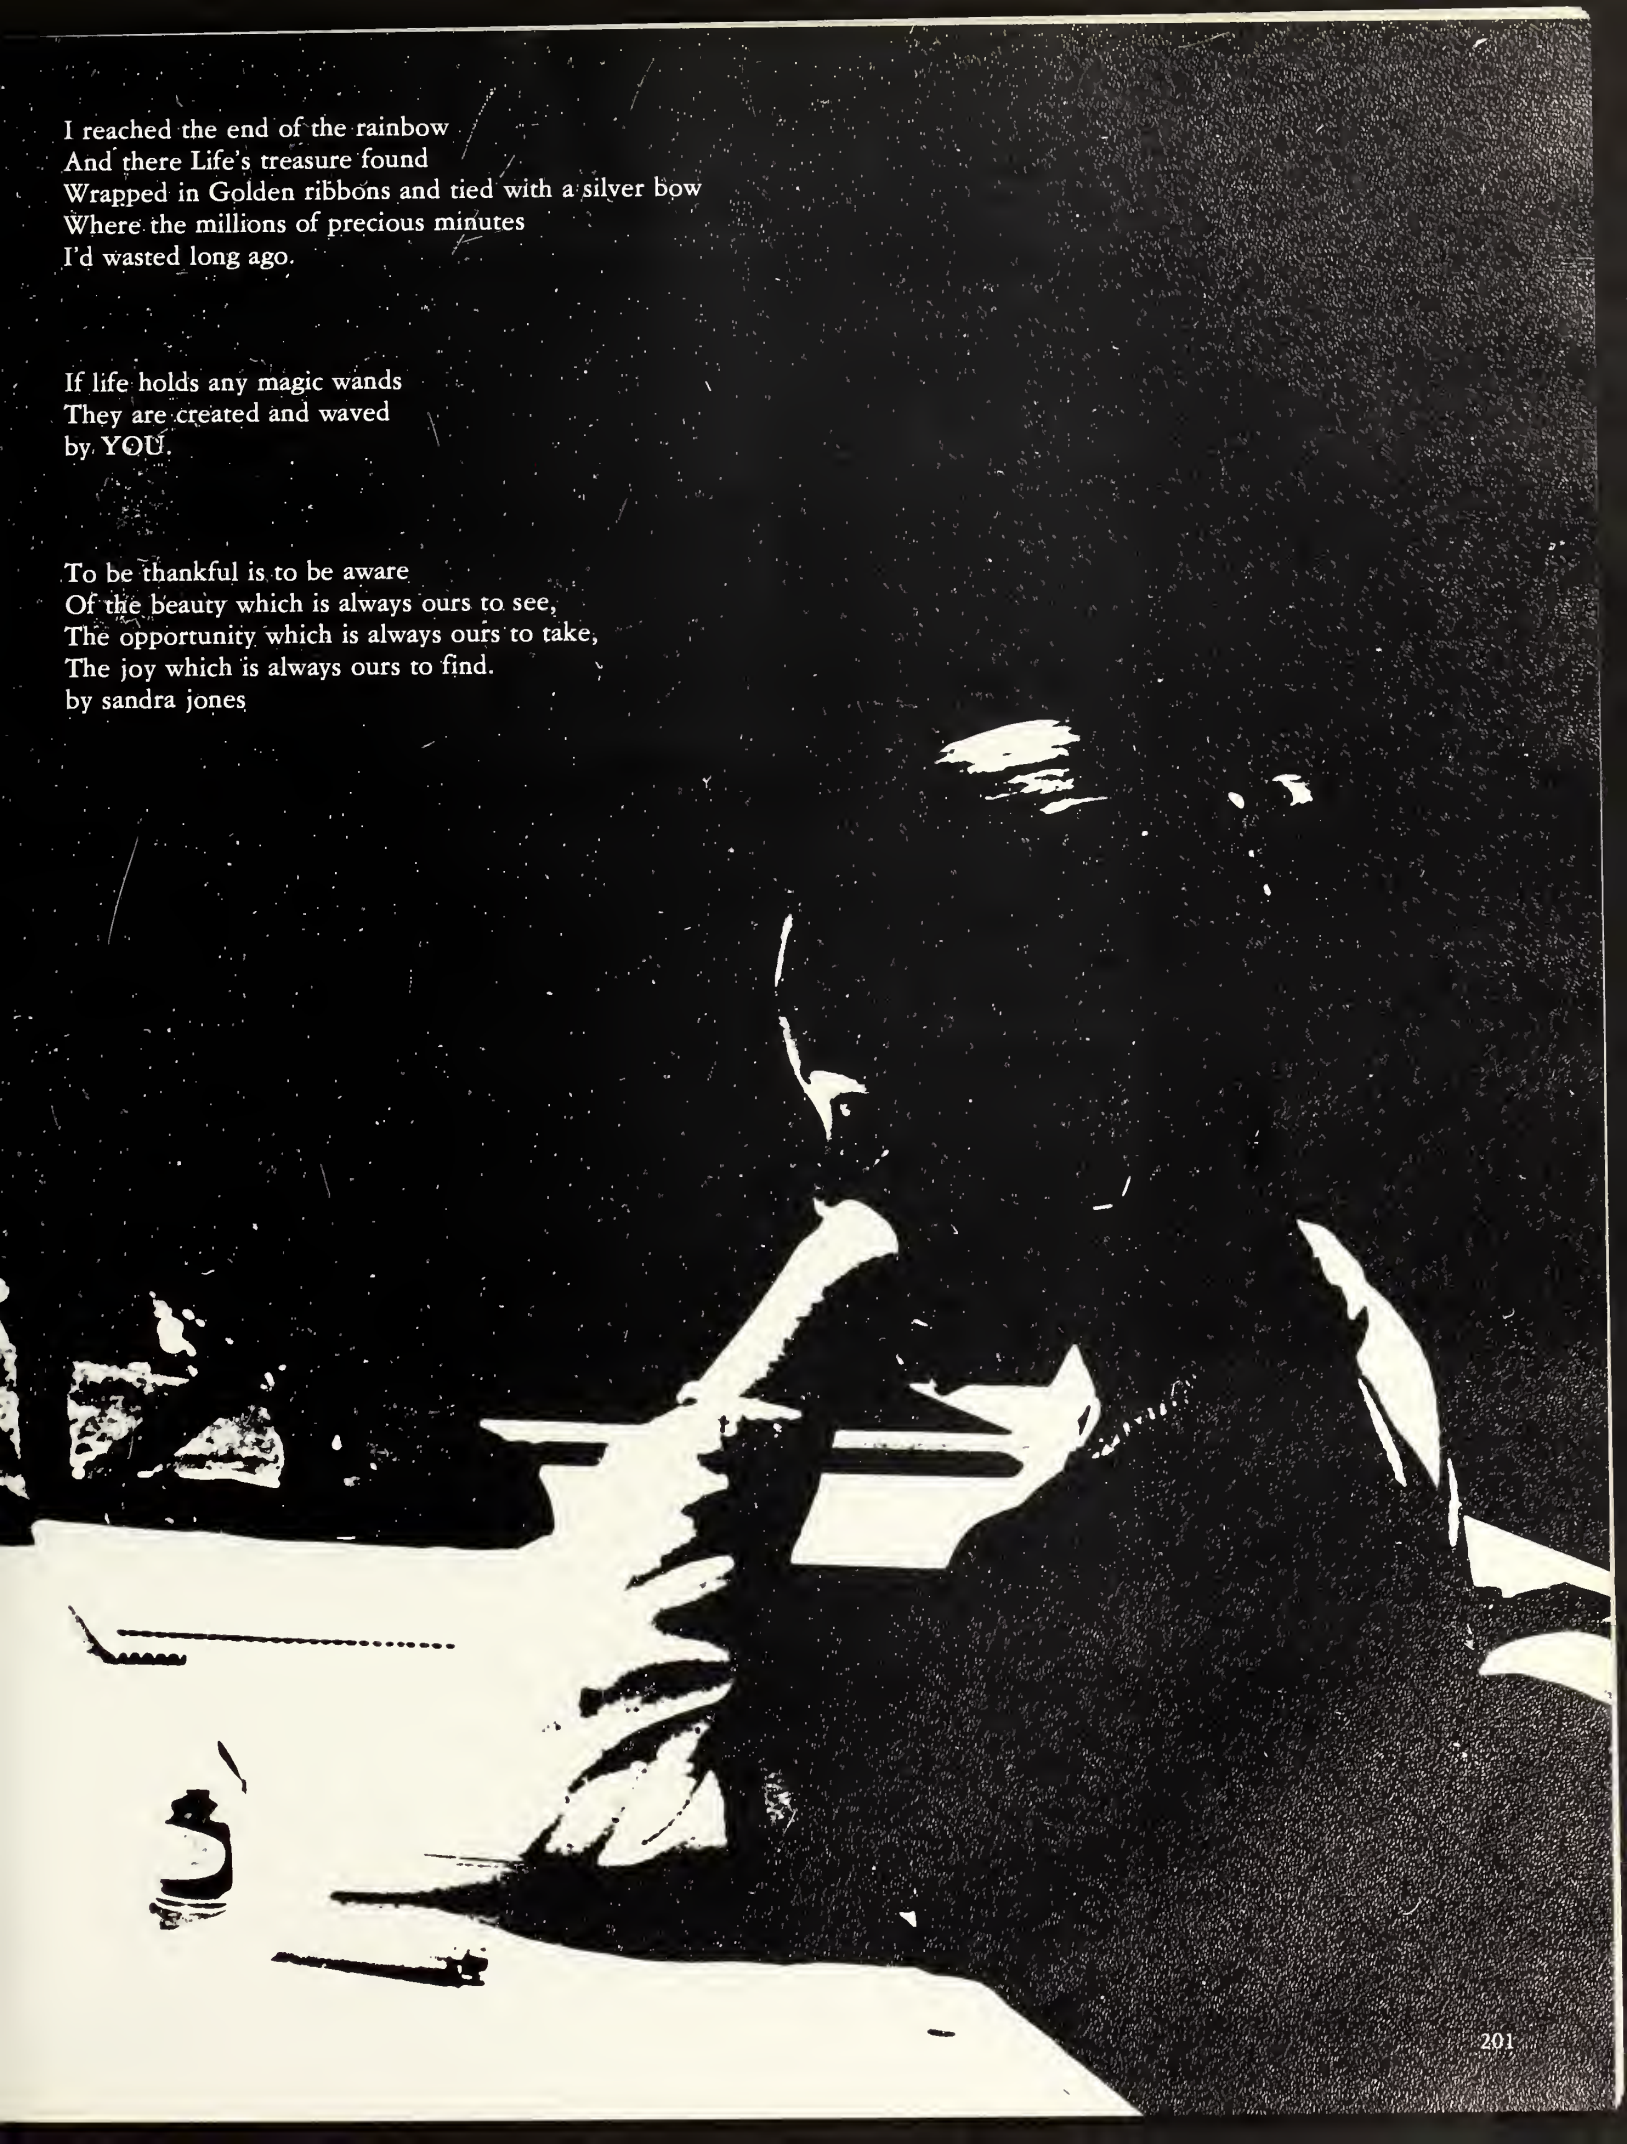
TAKE TIME

Take time to play
it is the secret of youth.
Take time to read
it is the foundation of knowledge.
Take time to work
it is the price of success.
Take time to think
it is the source of power.
Take time to dream
it hitches the soul to the stars.
Take time to laugh
it is the singing that helps life's load.
Take time to love
it is the one sacrament of life.
Take time to enjoy friends
it is the source of happiness.

Katherine Nelson Davis



We can read and we can study
We can go out seeking knowledge
But for wisdom we can only wait.
When time and living have prepared our hearts
Wisdom will come.
And so I dwell in my corner of the world
Formulating the life
I will lead
And not be led by.



I reached the end of the rainbow
And there Life's treasure found
Wrapped in Golden ribbons and tied with a silver bow
Where the millions of precious minutes
I'd wasted long ago.

If life holds any magic wands
They are created and waved
by YOU.

To be thankful is to be aware
Of the beauty which is always ours to see,
The opportunity which is always ours to take,
The joy which is always ours to find.

Dear Seniors,

This book was put together with feelings of love, warmth, and good memories of our years at Worcester State College. It was meant to be enjoyed in the years to come, to look back on and laugh, cry, and just remember. We hope we have succeeded in pleasing you. We realize that mistakes have been made and some of you may not agree with the staff's impressions of our college, and we apologize for that. But we hope you can overlook this and see the good.

Above all, we hope that you are not ashamed of your education at W.S.C. Our college is an established and accredited school and belongs up there with the rest of them. Sure we have our bad side, but we also have the good, and the best in some areas. So look back with fond memories and be proud. Good luck in the future years and keep in touch.

Sincerely,
The Yearbook Staff
